

CLARKSVILLE DEPARTMENT OF ELECTRICITY

Operating Policy 2-3

Subject: Outdoor Lighting

Policy:

CDE shall bill all outdoor lighting charges in accordance with the appropriate TVA rate schedule referred to in the current revision of CDE Operating Policy 2-1.

New security lighting customers will be charged service fees for each pole and light installed in accordance with the appropriate fee stated in the current revision of CDE Operating Policy 2-5. Outdoor lighting customers requiring materials other than standard security light equipment shall be billed the actual costs, including applicable overheads, of the installation. Transfers of outdoor lighting that do not require field work shall not be assessed a service fee for installation.

All reconnections of security lighting that have been disconnected but not removed shall be charged a service fee as required by CDE Operating Policy 2-5. This fee will also apply to security lighting disconnected for nonpayment of bill.

Installations and maintenance of outdoor lighting will be performed during regular CDE working hours. Customers requesting work be done other than these hours will be charged actual labor and equipment costs, including applicable overheads, in addition to any other applicable charges/fees.
